## **1. Local Authority Support for SACRE**

The Local Authority, through its Children's Commissioning Unit and its Inclusion and Learning Service, has continued to provide annual support to SACRE with five days of a chairperson and the time of a SACRE clerk and other administrative staff.

## **2. Curriculum Support for Schools**

During this academic year Sheffield SACRE has worked closely with Learn Sheffield to liaise with, and support, RE departments in the city at both Primary and Secondary School level.

Network meetings have been held with the support of Tapton School and Heather Bower, where staff have had the opportunity to explore the Agreed Syllabus as well as meet organisations offering workshops and education days at their places of worship. SACRE members have also been available to offer visits to schools to share their experiences as part of a religious or non-religious group and an online flyer was produced to promote these visits.

A successful SACRE Conference was held at the Learning Hub in where Lat Blaylock headed workshops for Primary and Secondary School departments to support and encourage good practise in the city.

The SACRE committee have had policy meetings with local authority staff regarding Community Cohesion, Gender Equality and have been updated regularly with Local and National topics of interest. SACRE Chair Pam Smith and Helen Sheehan attended the NASACRE Conference in York where Aaqil Ahmed was the keynote speaker.

The Local Authority have offered, with the support of Learn Sheffield, to contribute towards a Primary School and a Secondary School completing the Quality Mark in the coming year.

With the support of Sheffield Cathedral Alison Dallman (Vice Chair) has given guided tours and held Education days for a variety of schools in the City. These include KS1, KS2 and Y7 of KS3. The unit for the Deaf from Siverdale School and the Blind School at Tapton Mount have also had visits to the Cathedral as part of their RE syllabus.
